

LILLIE

Lillie came to Angel's Gate from the ASPCA in 1999. She

was paralyzed from the waist down. She received intensive therapy and is now able to walk and run. Her daily treatments include pool therapy and arthritis shots to ease her joints.

PRINCESS SOPHIA

Princess Sophia came to Angel's Gate as a Katrina survivor from New Orleans.

She has a chronic

skin condition that creates sores around her neck. Her daily treatments include skin medication and shots to ease the pain of her neck sores.

CHARLIE

Charlie is a partially paralyzed shi-Tzu that was found in an

abused home. He has water therapy and requires equipment to help him walk around. With your help, we hope he will be able to walk without assistance.

DELHI DREAMING

We have begun to move our animals to the new location in the Caskill mountain town of Delhi, NY. This location has nearly 100 acres of land, massive storage units, and more than double the space that our last home provided. Depending on donations, we hope to move all of our animals to the new location in 6-12 months.

If you would like to help us in our move, please apply your donations to our expansion.

The new ranch, pond, and storage unit.

ABOUT ANGELS GATE

Angel's Gate is a non-profit organization located in Long Island, N.Y. It provides a permanent home for terminally and physically ill animals from local, state, and national rescue and shelter organizations. Angel's Gate has been able to care for more than 200 animals over the past 16 years, making it the largest shelter of its kind in the country.

MEET THE ANIMALS

PRISCILLA

Priscilla is a victim of "Shaken Puppy Syndrome" and is paralyzed from the

neck down. She was taken out of an abusive home. Priscilla cannot walk without help from special equipment and receives daily water and physical therapy. With your help, she will be able to continue treatments.

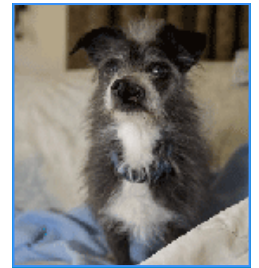

ABBY

Abby is a Chihuahua that has received lots of medical attention. She was

found paralyzed and we are told she will survive. We have already spent \$1600 for her and soon their will be bills for neurological consults; re-splinting; pain meds and the purchase of the dog carts. With your help, she will be on her way to a more comfortable life.

CHUCKIE

Chuckie came to Angel's Gate with a split nose.

He has trouble breathing normally and is in need of a nasal

reconstruction surgery to help his breathing. His surgery will cost more than \$1,500. With your help, Chuckie can receive this surgery and help his breathing.
